

Maryland Department of Aging
Senior Care and Senior Assisted Living Group Home Subsidy Program

Statewide Program Eligibility Verification Form

Senior Care and Senior Assisted Living Group Home Subsidy Program are statewide programs that require all applicants and participants to produce reliable and accurate proof of age and income to qualify. Applicants must present one form of verification for age and one form of verification for income.

The following documents are acceptable forms of proof of age:

- o Valid Birth Certificate
- o Valid Driver's License
- o Valid Maryland State Identification Card
- o Valid Passport

The following documents are acceptable forms of proof of income:

- o Social Security Award Letter o Earned Income Statement
- o Income Tax Return
- o Bank Statement

AAAs must ensure that each individual's file contains a copy of the following documents as evidence of program eligibility:

- o A completed and signed Program Eligibility Verification form
- o One of the acceptable forms of proof of age
- o One of the acceptable forms of proof of income

I have read the requirements for enrollment in this program and agree to provide the requested documentation as proof of eligibility.

Applicant or Applicant's Representative

Date

I that have received income and age documentation as proof of eligibility and that a copy of these documents will be placed in the applicant's file.
